"Telecommunications for Arkansas"

THE EMERGENCY BROADBAND BENEFIT PROGRAM (EBBP) is a government Program that reduces the consumer's broadband internet access service Bill, IS TEMPORARY IN NATURE, and that the household will be subject to ARTELCO's UNDISCOUNTED RATES and general terms and conditions at the end of the program if you continue to receive service.

I understand this is a temporary reduction in price for broadband service
And ARTELCO has permission to apply full pricing once the program ends.
